

Tylö sauna ix210

A complete home spa in a minimum of space

Step into the warmth, feel your thoughts clear. Caress your hand over the soft wood and experience the beautifully carved surface. Tylö sauna ix210 offers an ingenious compact design measuring just 2.8 m², and provides a complete home spa including a traditional sauna, a gentler steam sauna, a soothing steam bath and a conventional shower. Even where space is at a premium, you can still enjoy the good life in the form of delightfully relaxing and invigorating saunas and steam baths in the comfort of your own home. It's a revolution in home spa design, compact enough to fit in a regular bathroom instead of in your garage or in your garden shed! We call it the Tylö Impression, because we know that it will not leave you unmoved.
